

Melbourne's West Export Network NewsletterMay 2008

Calendar of Activities for 2008!

We have finalised the events for 2008 and you can view the list [here](#). We look forward to your on-going support and participation at these events.

Export Workshops

If you are thinking about exporting then you can't afford to miss these workshops! For more information on the workshops and to register your interest, please view this [pdf document](#). The first two workshops were a great success with some excellent feedback from participants....and they are Free!

'Getting into Export' Workshop 04 June 2008'

For businesses considering exporting for the first time, this is a must!

Venue: The Reception Room, Level 1, Maribyrnong City Council, Hyde Street, Footscray. To register please email:

yvonne.moon@bigpond.com

Visit to Patrick's premises at Port Melbourne – exclusive to Members!

We have had an overwhelming response to this event. It is fully booked and unfortunately we could only accommodate a limited number of members. We will be providing further exclusive offers to members in the future so watch this space.

Greater Western Chamber of Commerce and Industry Business Awards

Powercor Greater Western Region Business Excellence Awards is a good way to show your customers and potential customers the excellence in the product or service you provide. There is an export award as well as other categories and you are encouraged to participate.

Entries open on Monday 2 June and close on Monday 25 August. Contact Dale Hobsbawn on 9687 7319 or email admin@gwcci.com.au.

Entry forms will be available as from Monday 02 June on the GWCCI website at www.gwcci.com.au.
